# **INSTRUCTIONS TO OFFERORS FOR NON-CONSTRUCTION CONTRACTS**

## **Public and Indian Housing Programs**

### **1. *Offer Preparation and Submission***

- (a) Offerors are expected to examine the statement of work and all instructions. Failure to do so will be at the offeror's risk.
- (b) All proposals must be submitted on the forms provided by the Lebanon County Housing and Redevelopment Authorities (LCHRA). Each offeror shall furnish all the information required by the solicitation. Offerors must submit one original signature proposal and two copies. (Offerors should retain an additional copy for their records). Original proposals must be signed and the offeror's name typed or printed on the proposal and each continuation sheet which required the entry of information by the offeror. Erasures or other changes must be initialed by the person signing the bid. Proposals signed by an agent shall be accompanied by evidence of that agent's authority.
- (c) All proposal documents shall be sealed in an envelope which shall be clearly marked with the words "Proposal Documents," the Request for Proposals (RFP) number, any project or other identifying number, the offeror's name, and the date and time of solicitation closing.
- (d) If this solicitation requires proposing on all items, failure to do so will disqualify the proposal. If proposing on all items is not required, offerors should insert the words "NO PROPOSAL" in the space provided for any item on which no price is submitted.
- (e) Unless expressly authorized elsewhere in this solicitation, alternate proposals will not be considered.
- (f) Unless expressly authorized elsewhere in this solicitation, proposals submitted by telegraph or facsimile (FAX) machine will not be considered.
- (g) If the proposed contract is for a Mutual Help project (as described in 24 CFR Part 905, Subpart D) that involves Mutual Help contributions of work, material, or equipment, supplemental information regarding the procurement is provided as an attachment to this solicitation.
- (h) Proposals will be publicly opened, but shall be kept confidential until contract award.

## **2. *Explanations and Interpretations to Prospective Offerors***

- (a) Any prospective offeror desiring an explanation or interpretation of the solicitation or statement of work must request it in writing soon enough to allow the LCHRA time to provide a reply to all prospective offerors before the submission of their proposals. No oral explanation or interpretation will be provided to any offeror. Any information given a prospective offeror concerning this solicitation will be furnished promptly to all other prospective offerors as a written amendment to the solicitation, if that information is necessary in submitting proposals or if the lack of it would be prejudicial to other prospective offerors. Amendments will also be on file in the offices of the LCHRA at least seven (7) days before the closing date. All offerors will be bound by such amendments, whether or not they are received by the offerors.
- (b) Any information obtained by, or provided to, an offeror other than by formal amendments to the solicitation shall not constitute a change to the solicitation.

## **3. *Responsibility of Prospective Contractor***

- (a) The LCHRA will award contracts only to responsible prospective contractors who have the ability to perform successfully under the terms and conditions of the proposed contract in determining the responsibility of an offeror, the LCHRA will consider such matters as the offeror's:
  - (1) Integrity;
  - (2) Compliance with public policy;
  - (3) Record of past performance; and
  - (4) Financial and technical resources (including computer and technical equipment).
- (b) Before a proposal is considered for award, the offeror may be requested by the LCHRA to submit a statement or other documentation regarding any of the items in paragraph (a) above. Failure by the offeror to provide such additional information shall render the offeror ineligible for award.

## **4. *Late Submissions and Modifications of Proposals***

- (a) Any proposal received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it:
  - (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (*e.g.* an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);

- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the LCHRA that the late receipt was due solely to mishandling by the LCHRA after receipt at the LCHRA; or
  - (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term “working days” excludes weekends and U.S. Federal holidays.
- (b) Any modification of a proposal is subject to the same conditions as in paragraph (a) of this provision.
  - (c) The only acceptable evidence to establish the date of mailing of a late proposal or modification sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the proposal or modification shall be processed as if mailed late. “Postmark” means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull’s-eye postmark on both the receipt and the envelope or wrapper.
  - (d) The only acceptable evidence to establish the time of receipt at the LCHRA is the time/date stamp of LCHRA on the proposal wrapper or other documentary evidence of receipt maintained by the LCHRA.
  - (e) The only acceptable evidence to establish the date of mailing of a late proposal or modification sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the “Express Mail Next Day Service-Post Office to Addressee” label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. “Postmark” has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull’s eye postmark on both the receipt and the envelope or wrapper.
  - (f) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful proposal that makes its terms more favorable to the LCHRA will be considered at any time it is received and may be accepted.
  - (g) Proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award; provided that written confirmation of telegraphic or facsimile withdrawals over the signature of the offeror is mailed and postmarked prior to award. A proposal may be withdrawn in person by an offeror or its authorized representative if, before the award, the identity of the person requesting withdrawal is established and the person signs a receipt for the proposal.

**5. *Service of Protest***

- (a) Definitions. As used in this provision:

“Interested party” means an actual or prospective offeror whose direct economic interest would be affected by the award of the contract.

“Protest” means a written objection by an interested party to this solicitation or to a proposed or actual award of a contract pursuant to this solicitation.

- (b) Protests, as defined in paragraph (a) above, shall be served on the Contracting Officer.
- (c) All protests shall be resolved in accordance with the LCHRA’s protest policy and procedures, copies of which are maintained at the LCHRA.

**6. *Contract Award***

- (a) The LCHRA will evaluate proposals and award a contract to the responsible offeror whose proposal will be most advantageous to the LCHRA, considering price and any other factors specified in the solicitation.
- (b) The LCHRA may reject any and all proposals, except other than the lowest proposal, and waive informalities or minor irregularities in proposals received.
- (c) Unless precluded elsewhere in the solicitation, the LCHRA may accept any item or combination of items proposed.
- (d) The LCHRA may reject any proposal as unacceptable if it is materially unbalanced as to the prices for the various items of work to be performed. A proposal is materially unbalanced when it is based on prices significantly less than cost for some work and prices that are significantly overstated for other work.
- (e) A written award shall be furnished to the successful offeror within the period for acceptance specified in the proposal and shall result in a binding contract without further action by either party.

As defined elsewhere in these General Conditions or the contract documents, the determination of HUD may be required to authorize changes in the work or for release of funds to the LCHRA for payment to the contractor. Notwithstanding HUD’s role, nothing in this contract shall be construed to create any contractual relationship between the Contractor and HUD.

- (c) The Contractor shall be responsible for all damages to persons or property that occur as a result of the Contractor's fault or negligence, and shall take proper safety and health precautions to protect the work, the workers, the public, and the property of others. The Contractor shall hold and save the LCHRA, its officers and agents, free and harmless from liability of any nature occasioned by the Contractor's performance. The Contractor shall also be responsible for all materials delivered and work performed until completion and acceptance of the entire work, except for any completed unit of work that may have been accepted under the contract.
- (d) The Contractor shall confine all operations (including storage of materials) on LCHRA premises to areas authorized or approved by the Contracting Officer.

The LCHRA Has the right to inspect and test all supplies, services, and construction required under this contract to the extent practicable at all times and places during the term of the contract. The LCHRA shall perform inspections in a manner that will not unduly delay the work. If any of the supplies, services, or construction do not conform with contract requirements, the LCHRA may require the contractor to perform the work again in conformity with contract requirements, at no increase in the contract price. When defects cannot be corrected by re-performance, the LCHRA may require the contractor to take necessary action to ensure that future performance conforms to contract requirements and reduce the contract price to reflect the reduced value of the work performed.

If the contractor fails to perform promptly the required work or to take the necessary action to ensure future performance of the contract in conformity with contract requirements, the LCHRA may, by contract or otherwise, perform the work itself and charges the contractor any cost incurred that is directly related to the performance of the work or terminate the contract for default.

The presence or absence of the LCHRA Inspector does not relieve the Contractor from any contract requirement, nor is the inspector authorized to change any term or condition of the specifications without the Contracting Officer's written authorization. All instructions and approvals with respect to the work shall be given to the Contractor by the Contracting Officer.

#### **5. Warranty of Title**

The Contractor warrants good title to all materials, supplies, and equipment incorporated in the work and agrees to deliver the premises together with all improvements thereon free from any claims, liens or charges, and agrees further that neither it nor any other person, firm or corporation shall have any right to a lien upon the premises or anything appurtenant thereto.

**6. Warranty**

L. 94-163) for the State in which the work under the contract is performed.

- (b) The LCHA shall make the final payment due the Contractor under this contract after (1) completion and acceptance of all work; and (2) presentation of release of all claims against the LCHRA arising by virtue of this contract, other than claims, in stated amounts, that the Contractor has specifically excepted from the operation of the release. Each such exception shall embrace no more than one claim, the basis and scope of which shall be clearly defined. The amounts for such excepted claims shall not be included in the request for final payment. A release may also be required of the assignee if the Contractor's claim to amounts payable under this contract has been assigned.

**12. Contract Modifications**

- (a) Only the Contracting Officer has authority to modify any term or condition of this contract. Any contract modification shall be authorized in writing.

- (b) The Contract LCHRA may modify the contract unilaterally - (1) pursuant to a specific authorization stated in a contract clause (*e.g.*, **13. However, except for an adjustment based on defective specifications, no proposal for any change under paragraph (b) above shall be allowed for any costs incurred more than 30 days before the Contractor gives written notice as required. In the case of defective specifications for which the LCHRA is responsible, the equitable adjustment shall include any increased cost reasonably incurred by the Contractor in attempting to comply with the defective specifications.

The proposal shall include a written statement describing the general nature and the amount of proposal. If the facts justify it, the Contracting Officer may extend the period for submission. The proposal may be included in the notice required under subparagraph (b) above. No proposal by the Contractor for an equitable adjustment shall be allowed if asserted after final payment under this contract.

(f) The Contractor's written proposal for equitable adjustment shall be submitted in the following form:

(1) Proposals totaling \$5,000 or less shall be submitted in the form of a lump sum proposal with supporting information to clearly relate elements of cost with specific items of work involved to the satisfaction of the Contracting Officer.

The contractor shall not be allowed a profit on the profit received by any subcontractor. Equitable adjustments for deleted work shall include a credit for profit and may include a credit for indirect costs. - (i) Failure to reach an agreement on any proposal shall be a dispute under clause **15. Disputes** herein. Nothing in this clause, however, shall excuse the Contractor from proceeding with the contract as changed.
- (j) Except in an emergency endangering life or property, no change shall be made by the Contractor without a prior written order from the Contracting Officer.

#### **14. Suspension of Work**

- (a) The Contracting Officer may order the Contractor in writing to suspend, delay, or interrupt all or any part of the work of this contract for the period of time that the Contracting Officer determines appropriate for the convenience of the LCHRA.
- (b) If the performance of all or any part of the work is, for an unreasonable period of time, suspended, delayed, or interrupted (1) by an act of the Contracting Officer in the administration of this contract, or (2) by the Contracting Officer's failure to act within the time specified (or within a reasonable time if not specified) in this contract an adjustment shall be made for any increase in the cost of performance of the contract (excluding profit) necessarily caused by such unreasonable suspension, delay, or interruption and the contract modified in writing accordingly. However, no adjustment shall be made under this clause for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Contractor or for which any equitable adjustment is provided for or excluded under any other provision of this contract.
- (c) A claim under this clause shall not be allowed (1) for any costs incurred more than twenty (20) days before the Contractor shall have notified the Contracting Officer in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order); and, (2) unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the contract.

Unless the Contractor, within 30 days after receipt of the Contracting Officer's decision, shall notify the Contracting Officer in writing that it takes exception to such decision, the decision shall be final and conclusive.
- (d) Provided the Contractor has (1) given the notice within the time stated in paragraph (c) above, and (2) excepted its claim relating to such decision from the final release, and (3) brought suit against the LCHRA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the LCHRA that it submit a final voucher and release, whichever is earlier, then the Contracting Officer's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.
- (e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer.
- (f) The Contractor is prohibited from placing a lien on the LCHRA's property. This prohibition shall apply to all subcontractors.

**16. Default**

- (a) If the Contractor refuses or fails to prosecute the work, or any separable part thereof, with the diligence that will insure its completion within the time specified in this contract, or any extension thereof, or fails to complete said work within this time, the Contracting Officer may, by written notice to the Contractor, terminate the right to proceed with the work (or separable part of the work) that has been delayed. In this event, the LCHRA may take over the work and complete it, by contract or otherwise, and may take possession of and use any materials, equipment, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to the LCHRA resulting from the Contractor's refusal or failure to complete the work within the specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the LCHRA in completing the work.
- (b) The Contractor's right to proceed shall not be terminated or the Contractor charged with damages under this clause if-
  - (1) The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. The Contracting Officer shall ascertain the facts and the extent of the delay. If, in the judgment of the Contracting Officer, the findings of fact warrant such action, time for completing the work shall be extended by written modification to the contract. The findings of the Contracting Officer shall be reduced to a written decision that shall be subject to the provisions of clause **15. Disputes** herein.
- (c) If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been for the convenience of the LCHRA.

## **17. Liquidated Damages**

- (a) If the contractor fails to complete the work within the time specified in the contract, or any extension, as specified in the clause **16. Default** of this contract, the contractor shall pay to the LCHRA as liquidated damages, the sum of \$100.00 for each day of delay. To the extent that the contractor's delay or nonperformance is excused under another clause in this contract, liquidated damages shall not be due the LCHRA. The contractor remains liable for damages caused other than by delay.
- (b) If the LCHRA terminates the Contractor's right to proceed, the resulting damage will consist of liquidated damages until such reasonable time as may be required for final completion of the work together with any increased costs occasioned the LCHRA in completing the work.
- (c) If the LCHRA does not terminate the Contractor's right to proceed, the resulting damage will consist of liquidated damages until the work is completed or accepted.

## **18. Termination For Convenience**

- (a) The Contracting Officer may terminate this contract in whole, or in part, whenever the Contracting Officer determines that such termination is in the best interest of the LCHRA. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which the performance of the work under the contract is terminated, and the date upon which such termination becomes effective.
- (b) If the performance of the work is terminated, either in whole or in part, the LCHRA shall be liable to the Contractor for reasonable and proper costs resulting from such termination which costs shall be paid to the Contractor within 90 days of receipt by

the LCHRA of a properly presented claim setting out in detail: (1) the total cost of the work performed to date of termination less the total amount of contract payments made to the contractor; (2) the cost (including reasonable profit) of settling and paying claims under subcontracts and material orders for work performed and materials and supplies delivered to the site, payment for which has not been made by the LCHRA to the Contractor or by the Contractor to the subcontractor or supplier; (3) the cost of preserving and protecting the work already performed until the LCHRA or assignee takes possession thereof or assumes responsibility therefore; (4) the actual or estimated cost of legal and accounting services reasonably necessary to prepare and present the termination claim to the LCHRA; and (5) an amount constituting a reasonable profit on the value of the work performed by the Contractor.
